APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of the Truckee and Carson Rivers as set forth under the Newlands Reclamation Project rights in the Truckee and Carson River final decrees is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit does not authorize more than the decreed duty to be placed on the proposed place of use.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 14.70 acre-feet cubic feet per second as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before December 4, 1996

Proof of completion of work shall be filed before January 4, 1997
